Re: Docket No. 2022-88-T. Application of MyRide SC, LLC for Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of a Motor Vehicle Carrier

Dear Ms. Boyd:

On May 5, 2022, the Commission granted the Petitioner's motion for expedited consideration and voted to approve the above-referenced application for a Class C (Non-Emergency) CPCN. Petitioner submitted a proposed order on May 9, 2022. As Petitioner's President, David Swanner, explained in the affidavit accompanying its motion for expedited consideration, the company and its employees are experiencing financial distress while the application is pending, and Petitioner had to cut its drivers pay in half while they remain idle. Because of these extraordinary circumstances, I am writing to respectfully request the Commission expedite its Order approving Petitioner's application so that MyRide can begin operations and pay its employees.

Thank you for your consideration.

With best wishes, I am,

Sincerely yours,

s/ Charlie Terreni
